## AN ACT

To establish the Blackwell School National Historic Site in Marfa, Texas, and for other purposes.

1       *Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

1   **SECTION 1. SHORT TITLE.**

2       This Act may be cited as the “Blackwell School Na-  
3   tional Historic Site Act”.

4   **SEC. 2. DEFINITIONS.**

5       In this Act:

6           (1) NATIONAL HISTORIC SITE.—The term “na-  
7   tional historic site” means the Blackwell School, in  
8   Marfa, Texas.

9           (2) SECRETARY.—The term “Secretary” means  
10   the Secretary of the Interior.

11   **SEC. 3. FINDINGS.**

12       Congress finds as follows:

13           (1) The Blackwell School, located at 501 South  
14   Abbott Street, in Marfa, Presidio County, Texas, is  
15   associated with the period of racial segregation in  
16   Marfa public schools and is the sole extant property  
17   directly associated with Hispanic education in the  
18   community, the remaining buildings having been  
19   torn down after the school closed in 1965.

20           (2) The Blackwell School is a tangible reminder  
21   of a time when the practice of “separate but equal”  
22   dominated education and social systems. Despite  
23   being categorized as “white” by Texas law, Mexican  
24   Americans were regularly excluded from commin-  
25   gling with Anglos at barbershops, restaurants, fu-  
26   neral homes, theaters, churches, and schools.

(4) Mexican and Mexican American culture and history in Marfa is tied to the Blackwell School, which for more than 50 years served as a leading feature of the Hispanic community, illustrating the challenge of maintaining cultural identity in a dominant Anglo society. Yet today, Hispanic influences are seen in Marfa's social and religious organizations, business and government institutions, and shared experiences of language, food, and music.

(6) The Blackwell School is closely associated with the broad patterns of local, State, and national

1 history in the area of school segregation. Mexicans  
2 and other members of the Latin American diaspora  
3 have placed a high value upon education as a means  
4 of economic, social, and political advancement.

5 (7) Mexican Americans and other members of  
6 the Latin American diaspora have placed a high  
7 value upon education as a means of economic, social,  
8 and political advancement. However, Hispanics and  
9 Latinos have not always had equitable opportunities  
10 and access to quality educational facilities in the  
11 United States.

12 **SEC. 4. ESTABLISHMENT OF THE BLACKWELL SCHOOL NA-**
